# Introduction

Clothera Sourcing Limited is a leading sourcing office dedicated to bridging the gap between fashion brands and world-class manufacturers.

With a core focus on delivering exceptional value, quality, and sustainability, we pride ourselves on being the trusted partner for brands seeking expertise across multiple product categories.

## About Us

Founded in 2024, our journey began in 2022, shortly after the pandemic. Our guiding principle is to blend creativity with sustainability in our services.

The pandemic shifted people's focus toward quality, which led us to position ourselves as sourcing specialists dedicated to serving our clients. With the onset of the AI era, we embraced the opportunity and embarked on our journey in full force.

*The world of fashion is ever-evolving, and with it, the need for trusted partners who can navigate the complexities of sourcing, design, quality, and sustainability. At Premier Clothing Sourcing Solutions, we aim to be that partner.*

## Light Knit

Light knitwear offers an ideal combination of comfort, style, and versatility, making it a staple for any brand looking to provide year-round essentials. From breathable pullovers and sleek cardigans to finely crafted tops, this collection is designed to cater to diverse customer needs with an emphasis on lightweight elegance.

Crafted with premium materials such as soft cotton, sustainable fibers, and smooth viscose, each piece is made to ensure lasting comfort and impeccable quality. Modern designs include refined textures, clean lines, and subtle patterns that add a sophisticated touch to casual and semi-formal wardrobes.

Perfect for layering or standalone wear, light knitwear is a timeless addition to any collection, offering both practicality and a polished aesthetic.

## Outwear

Our production capabilities include expertly crafted jackets that combine style, functionality, and durability. From lightweight outerwear for transitional seasons to heavy-duty jackets for colder climates, our collections cater to a wide range of preferences and purposes.

We use high-quality materials such as water-resistant fabrics, breathable layers, and insulating linings to ensure optimal performance and comfort. Whether it's classic silhouettes, trend-driven designs, or versatile everyday pieces, our jackets are designed to meet both aesthetic and practical needs.

With a strong focus on craftsmanship, attention to detail, and innovation, we deliver jackets that not only protect against the elements but also make a style statement. Each piece is tailored to meet global standards, offering reliability and elegance for customers around the world.

## Sweater

We specialize in crafting high-quality sweaters designed to meet the needs of customers worldwide. Our range includes a variety of styles, from timeless classics to modern designs, made using premium materials such as cashmere, cotton, and sustainable blends.

Every piece is produced with meticulous attention to detail, combining skilled craftsmanship with advanced production techniques to ensure exceptional comfort, durability, and style. Whether it's lightweight knitwear for warmer seasons or cozy options for colder climates, our products are tailored to suit diverse preferences and markets.

With a focus on quality, sustainability, and innovation, we are committed to delivering knitwear that reflects global trends and exceeds expectations

## Denim

Our denim collection is crafted to infuse your brand with timeless style and lasting durability, presenting a variety of high-quality pieces that cater to both classic and modern preferences. From versatile jeans and sturdy denim jackets to fashionable skirts and overalls, our denim line is meticulously designed with precision and attention to detail.

We utilize premium denim fabrics with an array of finishes, such as raw, stonewashed, distressed, and stretch blends, ensuring comfort, durability, and an impeccable fit. Each item is intended to embody contemporary trends while preserving the iconic charm of denim, making it ideal for casual wear, work attire, or upscale collections.

Whether you aim to make a bold impression or supply everyday essentials, our denim selections strike the perfect balance between functionality and style, tailored to enhance your brand's appeal in the global marketplace.

## Lingerie

Our expertise extends to crafting high-quality lingerie that balances style, comfort, and functionality. From delicate lace designs to everyday essentials, we cater to a wide spectrum of preferences and needs, ensuring every piece feels as good as it looks.

We work with premium materials, including soft, breathable fabrics, intricate lace, and sustainable options, to create lingerie that is both elegant and durable. Our focus is on achieving the perfect fit and exceptional craftsmanship, making every item a standout addition to any wardrobe.

Whether it's for intimate wear or functional basics, our lingerie collections are designed to inspire confidence and provide unmatched comfort. With a commitment to innovation and attention to detail, we deliver products that redefine quality and elegance in the world of lingerie.

## Active wear

Our activewear line is designed for brands looking to offer stylish, versatile, and performance-driven options. Suitable for everything from intense workouts to comfortable athleisure, our collections balance comfort, functionality, and style.

We create a diverse range of products, including leggings, joggers, sports bras, tank tops, hoodies, and jackets. Each item is made from high-quality technical fabrics, such as moisture-wicking blends and breathable knits, ensuring flexibility, durability, and comfort for active lifestyles.

Our designs incorporate modern innovations like seamless construction, quick-dry technology, ergonomic fits, and practical features such as hidden pockets. Whether your brand focuses on gym wear, yoga, or outdoor gear, we can develop activewear collections that meet your customers' needs.

## Shoes

We are dedicated to specializing in a wide range of footwear, connecting businesses with trusted manufacturers and suppliers. With expertise in quality control, cost-effective production, and timely delivery, we ensure our clients receive the best shoes to meet their market needs. From casual wear to performance footwear, we help brands streamline their sourcing process with efficiency and reliability.

We manage the entire sourcing process—from supplier selection and price negotiation to quality control and logistics—ensuring timely delivery and adherence to international standards. By leveraging our industry knowledge and relationships, we streamline production and help businesses reduce costs while maintaining quality.

Whether you need private-label production, trend-driven designs, or sustainable sourcing solutions, we are committed to delivering the best products tailored to your market needs.
